

We Versus The Shark, Slide

Gotta plan, got a plan
'Cause the day is long - and order makes them happy

I know why they smile
Why they smile
Yes

You might be three-piece suited for a three-course meal
But you might not be ready for how it

D-d-d-down the road
You got one hot mortgage, you got two-point-five
Kids in the stable running wild
You're liable to explode

Gotta play, gotta play
All day long - words will make you happy
Gotta play gotta play on that jungle gym
Words will make you happy happy

I can slide down to this level
