

Weatus, Hey, Mr. Brown

man i think it's just a little sleazy
you said you was like butter but you're cheesy
to treat me like i'm spinner bait you can't wait
go fish off some other dock

chorus:

hey, mr. brown
don't have a cow.
just compensate me!
hey, mr. brown
don't have a cow
just compensate me!
hey, mr. brown
don't have a cow
just compensate me!
you're gonna have to prove it to me.

if i don't call you back your head spins
if i told you what i think you shit your linens
"it's just another interview, nothing new"
but they don't even know my name.
