

Webb Pierce, Blue Mood

I'm in a blue mood and you've caused it all

The night life is calling again it's plain to see the blues are stepping in

So long now I've waited for your call I'm in a blue mood and you'

Now I know you're seeing someone else but I love you inspite of my soul

Just couldn't resist I have to fall I'm in a blue mood and you've c

The night lights to you again are lureing and darling you're the reason for my fall

Your kind of love was my undoing I'm in a blue mood and you've caused it a
