

# Webb Pierce, Falling Back To You (1959)

Yes I keep falling back to you what else can I do  
I keep falling back to you I can't forget the past we knew

So many times I've had you on my mind  
It seems I just can't leave the past behind  
I know you've been untrue dear but oh what can I do  
For everytime the sun goes down I fall right back to you  
Yes I keep falling back...  
( fiddle - steel )  
So many times I've had you...  
Yes I keep falling back...
