

Webb Pierce, I'm Gonna Fall Out Of Love With You

When I fell in love with you well that's what I wanted to do
But if you can't be true I'm gonna fall out of love with you
Dear you've cheated and lied many long nights I cried
But what I'm gonna do I'm gonna fall out of love with you
Is that what you want me to do fall out of love with you
A few more days you don't change your ways I'm fallin' out of love with you
(fiddle - steel)
You're making a fool of me these things I just can't see
The best thing for me to do is to fall out of love with you
Oh how I tried to plead I begged you on my knees
There's nothing left to do I'm gonna fall out of love with you
Is that what you want me to do...
