Webb Pierce, I'm Gonna Fall Out Of Love With Ye

When I fell in love with you well that's what I wanted to do But if you can't be true I'm gonna fall out of love with you Dear you've cheated and lied many long nights I cried But what I'm gonna do I'm gonna fall out of love with you Is that what you want me to do fall out of love with you A few more days you don't change your ways I'm fallin' out of love with you (fiddle - steel) You're making a fool of me these things I just can't see The best thing for me to do is to fall out of love with you

Oh how I tried to plead I begged you on my knees

There's nothing left to do I'm gonna fall out of love with you Is that what you want me to do...
