## Webb Pierce, My Shoes Keep Walking Back To Y

I must say that I don't care hold my head up in the air Even tell my friends I'm glad that you don't call Even when the day is through my heartaches start anew And that's when I miss you most of all And my arms keep reaching for you my eyes keep searching for you My lips keep calling for you and my shoes keep walking back to you (steel) No matter how much I pretend I wish I had you back again For nothing else means half as much as you My world just seemed to die the day you said goodbye

And I can't forget no matter what I do

And my arms keep reaching...

And my shoes keep walking back to you
