Webb Pierce, You're Not Mine Anymore

You're not mine anymore but I'm still paying for Just a nore from you to say you've changed your mind Now I know you say we're through but I'm still in love with you And it's my fault that you're not mine anymore If you don't ever change your mind to take me back again I hope you meet someone that's true and fall in love with him Since the day you said we're through I'm even more in love with you And it's my fault that you're not mine anymore [fiddle - steel]

You're not mine anymore...
