

Webb Wilder, Down On The Farm

"Down on the Farm"

You might think, I'm a crazy fool
I saw a horse doin' a bobbin with a mule
Down on the farm
Down on the farm
Down on the farm
Rock and roll taking over my barn

Rooster won't crow, chicken won't cluck
Going around the barnyard doin' the hucklebuck
Down on the farm, down on the farm
Rock and roll taking over my barn

Yeah

Lazy dog, crazy pig
All I wanna do is a rock and roll Jig
Down on the farm, down on the farm
Down on the farm
Rock and roll taking over my barn
