

# Webb Wilder, My Mind's Eye

"My Mind's Eye"

I sit here every day  
Staring at the sky  
Ever wondering why  
I've dreamed my dreams away  
I'm living for today  
In my mind's eye

People rushing everywhere  
Rushing through my life  
I couldn't give a care  
Because they'll never see  
All that I can see  
In my mind's eye

Everybody I know says I'll change, yeah  
Laughing behind their hands  
They think I'm strange

Things are clearer than before  
Asking me to stay  
Showing me the way  
I'll never close the door  
To all these things and more  
In my mind's eye

Everybody I know says I'll change, yeah  
Laughing behind their hands  
They think I'm strange

Things are clearer than before  
Asking me to stay  
Showing me the way  
I'll never close the door  
To all these things and more  
In my mind's eye

Ah, ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah  
In my mind's eye  
(In my mind's eye)

Ah, ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah  
In my mind's eye

In my mind's eye, in my mind's eye, in my mind's eye
