Webb Wilder, Tough It Out

'''Tough It Out'''

When I was in the cradle
Momma used to say "Now, baby
Don't ya cry cry cry"
She turned on the radio
And fed me rock and roll
Lullaby-by-by
Well it got under my skin
And man it pulled me in
'cause it was strong strong strong
I hit the ground runnin'
And let me tell ya somethin'
I was gone gone gone

Get offa my line
'cause I'm comin' through
I'm aimin' high
And I'm willin' to shoot

I won't bow, I won't bend
I won't break, I'll tough it out
I won't budge, I won't deal
I won't change, I'll tough it out
(Tough it out) Keep rockin' (tough it out) No stoppin'
'Til I win the prize, I'll tough it out
(Tough it out) Straight ahead (tough it out) knock 'em dead
No compromise, I'll tough it out

Now I've got somethin'
For ever man woman
And child child child
We don't leave the hall
'til they're bouncin' off the walls
Goin' wild wild wild
It might happen any day
Might be light years away
I don't mind mind mind
We got our head down, ears back,
Headed for the barn
Feelin' fine fine fine

Get offa my line
'cause I'm comin' through
I'm aimin' high
And I'm willin' to shoot

I won't bow, I won't bend
I won't break, I'll tough it out
I won't budge, I won't deal
I won't change, I'll tough it out
(Tough it out) Keep rockin' (tough it out) No stoppin'
'Til I win the prize, I'll tough it out
(Tough it out) Straight ahead (tough it out) knock 'em dead
No compromise, I'll tough it out

(Tough it out) (tough it out)

You might catch me down
But I won't stay caught
Now I might not sell
But I can't be bought

I won't bow, I won't bend

I won't break, I'll tough it out
I won't budge, I won't deal
I won't change, I'll tough it out
(Tough it out) Keep Rockin' (tough it out) No stoppin'
'Til I win the prize, I'll tough it out
(Tough it out) Straight ahead (tough it out) knock 'em dead
No compromise, I'll tough it out

I won't bow, I won't bend
I won't break, I'll tough it out
I won't budge, I won't deal
I won't change, I'll tough it out
tough it out
'Til I win the prize, I'll tough it out
Tough it out
No compromise, I'll tough it out
