The girl be cooking and cleaning and cleaning and cooking
She be constantly douching and cleaning her pussy
And when she step on the scene everybody be looking
And to get in them jeans everybody be wishing
But she only want players who far from rookie

If you try to holla she might holla she taken
And she walk like a bad bitch talk like a bad bitch
And go and get her hair fixed is a habit
Now bad bitch go and buy Finch more than average
And bad bitches get to take trips with the savage
Can never tell a bad bitch a freak she too classy
But shit I can tell from her lips that she nasty
