And you know what we like to fuck like it's the first time  
I can tell the first time for some reason I knew I was stayin  
And I figured u wasn't leavin  
I know that I don't need you but I be feeling like I need you  
When it comes to certain I act like I got amnesia  
But I just want to please ya trust me they just wanna be ya  
Remember when I ain't witch a baby I can't wait to see ya  
I gotta keep it G and say I Love ya cause I'm forreal  
Wash away all the tears we been doin this shit for years  
Since you been away I've been down and lonely  
Since you've been away I've been thinking of you  
Oooh oooh oooh I'm missing you

Your everything I need couldn't of asked for more  
Boy you know your worth waiting for  
When you are away I'm standing at the door  
To let you know I miss you  
I know you can see it in my eyes  
You're the completion to my life  
It ain't even a question you already know  
But I remind you that  
I'm missing you
