

Wedlock, Cuts Both Ways

It don't take much, to satisfy me
I'll be your king, be your queen
What you want me to be.
It don't take much
To bring me to a fever
Use me, abuse me
Make me a believer
I like to cut it with-
Boys and Girls
Boys and Girls
Boys and Girls
I like to Cut Both Ways
Girls and Boys
Girls and Boys
Girls and Boys
Feel My sexy blade...
I'm ready and willing
To cut till it bleeds
But I can switch to a bitch
If that's what you need
I'm standing here with a razor erection
It cuts both ways, better use some protection..
Boys and Girls
Boys and Girls
Boys and Girls
I like to Cut Both Ways
Girls and Boys
Girls and Boys
Girls and Boys
Feel my sexy blade
Now I don't need words, to say what I'm feeling
Open up, keep on kneeling
You've got me hot, you've given me a fever
I can't deny, I'm a believer..
Boys and Girls
Boys and Girls
Boys and Girls
I like to Cut Both Ways
Girls and Boys
Girls and Boys
Girls and Boys
Feel my sexy blade
Work my body baby
Work my body baby
Work my body baby
All night long-
Can you hurt my body baby, hurt my body baby, hurt my body baby
All night long?
