

# Weebl, Pastry Back

I'm bringing pastry back.

Yeah!

When I transport it I like to wear a hat.

Why?

I not too sure, but it don't look wack.

Word.

Where we going to hide this to protect from attack?

Hmm.

Take it to the fridge!

'Cos this pastry...

A-ha?

Will be the casting of a tasty pie.

A-ha!

I let you have some if you help me bake.

Ok!

Because I can't read this recipe.

You suck!

Look out for the walrus!
