

Weekend Excursion, L.A.

You should smile
I hear it's nice in L.A.
If I can't smile
I still couldn't ask you to stay
Whenever there's a song I know you're with me

Taking off
Driving through all of the rain
Leave behind
Any suggestion of pain
Forget about the things that made you empty

It's alright
It's alright
It's alright
It's alright

Seeing home
Imagining you're still here
Waking up
Understanding clear
Walking out the door without an ending

It's alright
To go on
It's alright
It's alright
To go on
It's alright
To go on without me

Trust that I'll be alright
Can you trust me?
Trust that I'll be alright
Can you trust me?
Trust that I'll be alright

It's alright
To go on
It's alright
I'll see you someday
It's alright
To go on
We'll meet again
It's alright
To go on
And I'll miss you
It's alright
To go on (It's alright)

I should smile
I'll see you in L.A.
