

# Ween, L.M.L.Y.P. (Prince/Ween)

[Interpolation of Prince's "Shockadelica" and "Alphabet Street", with extra lyrics]  
Whoa, yeah, whoa, whoa, yeah  
Yeah yeah yeah, ahhhhhh, whoa, whoa, yeah

The lights go out, the smell of doom  
I'll bet is creeping into your lonely room  
The bed's on fire, your fate is sealed  
And you're so tired, and the reason is Camille-mille  
Shockadelica  
The girl must be a witch  
She's got your mind, body, and soul hitched  
Shockadelica  
You need a second opinion  
But she never wears a stitch  
So you can't take her home, she's got you tied with a golden rope  
She won't let you play your guitar  
And when you've cried enough  
Maybe she'll let you up  
For a nasty ride in her Shockadeli-car  
Gonna make you beg!  
Gonna make you beg  
Gonna make you spread your leg  
Gonna want it, gonna get it  
And you'll never regret it

[unintelligible rap]

Talk to me lover, come on tell me what you taste  
Didn't your mama tell you life is too good to waste?  
Didn't she tell you that Lovesexy was the glam of them all?  
If you can hang, you can trip on it  
You surely won't fall  
No side effects and the feeling lasts forever  
Straight up - it tastes good  
It makes you feel clever  
You kiss your enemies like you know you should  
Then you jerk your body like a horny pony would  
You jerk your body like a horny pony would  
Now run and tell your mama about that!  
Let me lick your pussy, let me lick your cunt  
Let me eat your body, baby, let me make you squeal and grunt  
Let me show you how to please me baby  
Let me show you how to tease me baby  
Baby baby babe get down on your knees  
Let me lick your pussy  
Let me lick your pussy  
Let me lick your pussy  
Come on baby, I got somethin' to say  
Let me lick your pussy  
I wanna say I wanna lick your pussy  
Let me lick your pussy  
I ain't messin' around - I ain't messin' around  
I'm sayin' baby  
Let me lick your pussy  
Let me lick your pussy  
Let me lick your pussy  
Oh baby, come here, let me tell you somethin'  
How's your pussy baby?  
Now we've all got something, you know what I mean?  
You've got your pussy  
Right there between your legs, baby  
You know what it is, don't you? It's a pussy!  
Oooh yeah!  
You know what I wanna do with that pussy, baby?

You know what I wanna do?  
Yeah, don't you, don't you, baby  
Take it out, wanna take it to town  
Make it feel good for me, bring it back to my place  
Then I'm gonna...can you imagine baby?  
Let me lick your pussy, oohoooooh  
Let me lick your pussy, let me lick your pussy  
Let me lick your pussy, ooh baby  
Let me lick, let me lick, let me lick your pussy  
Come here baby!  
First we'll take a bath  
Then I'll get my towel, baby  
I'll wrap you up - I'm gonna wrap you up in my towel, baby  
You know what I'm gonna do then  
I just wanna say - you know baby, I could give a great massage  
Oh, you can, Gener?  
I say, yeah baby, I give you a massage like, like thirteen kings, baby  
Oh, Gener!  
I say, what you got between your legs, baby?  
What does that have to do with a massage, baby?  
You know, you know what I really want...it's your pussy baby  
I wanna lick your pussy baby  
Yeah, you know what I'm saying  
You know what I'm saying  
You got me going baby  
Oh, you got me going like I never thought I'd go before  
Shit baby! Come here! Let me lick your pussy!  
Let me lick your pussy, baby  
Let me lick your pussy!  
Take it, Deaner!
