

Ween, Nan

What's your big secret?
could u give me a clue?
oh silly girl
I'm so in love with u
wontcha tell me what's on your mind
if u opened your head
tell me what would u find
are u 4 real?
what do you feel?
finders keepers
losers weepers
if I could get the lid off
I'd look inside the jar
is this the best I can do?
it ain't done me no good so far
mind over matter
but it seems I don't matter at all
nan - a party of one
do u think I could be invited to come?
