## Ween, Nan

What's your big secret? could u give me a clue? oh silly girl I'm so in love with u wontcha tell me what's on your mind if u opened your head tell me what would u find are u 4 real? what do you feel? finders keepers losers weepers if I could get the lid off I'd look inside the jar is this the best I can do? it ain't done me no good so far mind over matter but it seems I don't matter at all nan - a party of one do u think I could be invited to come?
