

Ween, Raggaejunkiejew

i don't know where you're comin' from
but i wish you'd go away
i don't know where you got your money from
but i wish i didn't have to be the one to pay
and i'm not sure how to say this
but i seal it with a kiss
do up a bag and drop dead motherfucker
so i can hang out with chris
what can you do
when your world's been invaded
by a raggaejunkiejew
what can you do
when the things that made you happy
only make you blue
take a permanent vacation
get the fuck out of town
go see jamaica motherfucker
let your dreadlocks down
all that you speak is bullshit
and all the people you know
maybe some people like to eat it
i think you're a dick
