Ween, Stay Forever

In the morning sun, I couldn't tell you I couldn't tell you so many things About how much I really love you About how much you really mean So far away but it's so easy to see you When I'm away I want to put my arms around you And I want to know - do you feel the same way? 'Cause if you do I want to stay forever And I want to know - do you feel the same way? 'Cause if you do I want to stay forever With you So many colors that surround you Some so bright I can hardly see A light reflects on all the things that make you real Things that make you truly free So far away but it's so easy to see you When I'm away I want to put my arms around you And I want to know - do you feel the same way? 'Cause if you do I want to stay forever And I want to know - do you feel the same way? 'Cause if you do I want to stay forever With you
