

# Ween, Waving My Dick In The Wind

I'm waving my dick in the wind  
waving my dick in the wind  
if it all goes right, I'll be in your arms tonight  
but I'm wavin' my dick in the wind  
I'm lost in the sauce once again  
I'm lost in the sauce once again  
If I make it through the night  
everything will be alright  
but I'm lost in the sauce once again  
Its been 97 days since i've laid my head beside you  
and a million miles of highway in between  
there's some red and blue lights that are shinin' right behind me  
and that pig's a pretty mean bastard  
You should have seen old Jimmy Wilson dance  
you should have seen old Jimmy Wilson dance  
give that boy a dime and you could have a chance  
to see old Jimmy Wilson dance  
dance Jimmy...  
I've got a real good feelin bout' old Jimmy Wilson  
sho' nuff' he's got what it takes  
do another number for me please won't ya Jimmy  
cause you're a really good dancer...  
Im wavin my dick in the wind....
