

# Weeping Willows, I Didn't Know

I hadn't seen you since you ran away  
You'd been in the shadows  
But I saw you today  
I washed you off me like water to soap  
But I didn't know that I still had hope  
Yes I didn't know till I saw you hand  
Holding the jacket of another man  
That's when the heartache struck me  
Like a knife in the dark  
Through the secret place in my heart  
Where my future life would start  
But I didn't know  
No I didn't know  
That it would hurt so much  
To finally see you go  
Into the night I crept back again  
An animal wounded hiding in pain  
I didn't know, I didn't believe  
That I'd feel so lonely  
Watching you leave  
That's when the heartache struck me  
Like a knife in the dark  
Through the secret place in my heart  
Where my future life would start  
But I didn't know  
No I didn't know  
That it would hurt so much  
To finally see you go
