

# Weevil, Bytecry

Fallin' into zeros and ones  
Formin' all our futures  
And i feel bound  
To broken machines  
That make me see

And i want to feel  
All the love and mystery  
So wont you...

Take over  
I don't want control  
So take over  
I don't want control

(music break)

Outside things move too slow  
As dust forms on my fingers  
Confusedom  
Me to love you more  
And more

So please don't  
Forget me  
So won't you...

Take over  
I don't want control  
So Take over  
I don't want control

Take over...  
Take over...  
Take over...  
Take over...
