

Weezer, Bobby No Morals

I thought that he was cool.
I thought that he was strong
and then one day he proved me wrong.
He said he felt one way, but acted like another,
he just wanted to fit in.
Bobby no morals (bobby no morals lost his edge)
He was all along
and he couldn't resist,
the temptation was to strong,
now hes all alone
trying hard not to look back
cuz if he does he might regret.
Bobby no morals (bobby no morals lost his edge)
