

Weezer, Headache

Headache, you give me such a headache
And I don't know why
Headache, you can be such a headache
Cause you're so uptight

Sometimes it's just so hard
To put up with you
I've come to rely on a pill or two
Cause you cause me such pain
Why does it act this way?
I'm so frustrated with everything
Won't you be nice?
Bring some ice for my head?

Headache, you give me such a headache
And I don't know why
Headache, you can be such a headache
Cause you're so uptight

Sometimes it's just so hard
To sleep beside you
While we're in bed
I still lie awake

With a headache, you can be such a headache
And I don't know why
Headache, you can be such a headache, yeah

In my head
In my head
In my head...

And I don't know why
