

Weezer, Hold Me

I am terrified of all things.
Frightened of the dark.
I am.
You are taller than a mountain.
Deeper than the sea.
You are.

Hold me.
Hold me.
Take me with you 'cause I'm lonely.

I was closer to you back then.
I was happier.
I was.
You are fading further from me.
Why don't you come home to me?

Hold me.
Hold me.
Take me with you 'cause I'm lonely.

I am...
I am...
Cold.

Hold Me.

[solo]

Hold me.
Hold me.
Take me with you 'cause I'm lonely.
Hold me.
Hold me.
Take me with you 'cause I'm lonely.
Hold me.
Hold me.
