

# Weezer, Keep fichin

You'll never be  
A better kind  
If you don't leave  
The world behind  
Waste my days  
Down the ways  
It's just the thought of you  
In love with someone else  
It breaks my heart to see you  
Hanging from your shelf  
You'll never do  
The things you want  
If you don't move  
And get a job  
Waste my days  
Down the ways  
It's just the thought of you  
In love with someone else  
It breaks my heart to see you  
Hanging from your shelf  
Oh girl, when I'm in love with you  
Keep fishin' if you feel it's true  
There's nothin' much that we can do  
To save you from yourself  
Waste my days  
Down the ways  
It's just the thought of you  
In love with someone else  
It breaks my heart to see you  
Hanging from your shelf  
Oh girl, when I'm in love with you  
Keep fishin' if you feel it's true  
There's nothin' much that we can do  
To save you from yourself  
You'll never be  
A better kind  
You'll never be  
A better kind  
Whoa-oh, whoa-oh  
Whoa-oh, whoa-oh  
Oh, oh  
Oh, oh  
Oh, oh  
Oh, oh
