

# Weezer, Love Explosion

take a listen around you all the people that around in your house,  
they've benn wanting to kill you in your sleep,

take a load off and bow down to the others  
who love to call you their names

they've been wanting to kill you in your sleep

and all the bull that people sling.  
It doesn't matter what they sing.

so jump out, jump out,  
get your groove on this one is for you so come on,  
get out yer house, girl,  
and give me a kiss.

and all the bull that people sling it doesn't matter what they sing

so jump out, jump out,  
get your groove on this one is for you so come on,  
get you yer house, girl,  
and give me a kiss

take a load off and bow down to the others who love to call you their names,  
they to call you their names,  
they love to call you their names.
