

Weezer, Mad Kow

I'm watchin' and waitin'
I'm disintegratin'
I know that you'd hear me
If you could come near me

But no one can save me now
I'm lost just like a cow
Madness, burnin' inside my brain

I'm fallin' to pieces
I'm breakin' my leases
I'm movin' to some place
And i'll live in disgrace

But no one can save me now
I'm lost just like a cow
Madness, burnin' inside my brain
My brain

But no one can save me now
I'm lost just like a cow
Madness burnin' inside my brain

But no one can save me now
I'm lost just like a cow
Madness burnin' inside my brain
My brain

I'm fallin'
I'm fallin'
I'm fallin'
yea
