

Weezer, Miss Sweeney

Bzzz...Bzzz.....

Hi, hello, Miss Sweeney?

Could you please come in my office for a second?

I'm heading home for the day

And I thought it'd be good for you and me to check in

I met with the gal from Expo

And they do have the slab cabinets in white

She thinks we can take the measurements down at the site

If we do that, we'll be just fine, Ms. Sweeney

That all I got to say to at this time, Ms. Sweeney

Actually there's one other thing on my mind

Girl, you make the rain clouds disappear

The sun always shines when you're near

I'm waiting until you love me

I'm so sorry, Ms. Sweeney

I don't know where that came from

I think I was overcome by a spontaneous emotion

Anyway, the cash deposit of \$5,000 will need to be sent to the property owner tomorrow

If there are any problems with the deposit or contract

Don't be afraid to holler

I don't want to have to approve each stinking dollar that we borrow

Aww forget it, Ms. Sweeney

Girl, you make the rain clouds disappear

The sun always shines when you're near

I'm waiting until you love me

Ms. Sweeney, I got to admit the truth

I am totally head over heels in love with you

Every day you come to the office looking fine

Navy business suit clinging tightly to your spine

You ask me if I'm ready to get down to work

Sweeney baby, I'm ready... be my...

Girl, you make the rain clouds disappear

The sun always shines when you're near

I'm waiting until you love me

Girl, you light the skies of my life

I swear I will make you my wife

I'm waiting until you love me
