Weezer, Miss Sweeney

Bzzz...Bzzz....

Hi, hello, Miss Sweeney?

Could you please come in my office for a second?
I'm heading home for the day

And I though it'd be good for you and me to check in
I met with the gal from Expo

And they do have the slab cabinets in white
She thinks we can take the measurements down at the site
If we do that, we'll be just fine, Ms. Sweeney

That all I got to say to at this time, Ms. Sweeney

Actually there's one other thing on my mind

Girl, you make the rain clouds disappear The sun always shines when you're near I'm waiting until you love me

I'm so sorry, Ms. Sweeney
I don't know where that came from
I think I was overcome by a spontaneous emotion
Anyway, the cash deposit of \$5,000 will need to be sent to the property owner tomorrow
If there are any problems with the deposit or contract
Don't be afraid to holler
I don't want to have to approve each stinking dollar that we borrow
Aww forget it, Ms. Sweeney

Girl, you make the rain clouds disappear The sun always shines when you're near I'm waiting until you love me

Ms. Sweeney, I got to admit the truth I am totally head over heels in love with you Every day you come to the office looking fine Navy business suit clinging tightly to your spine You ask me if I'm ready to get down to work Sweeney baby, I'm ready... be my...

Girl, you make the rain clouds disappear The sun always shines when you're near I'm waiting until you love me Girl, you light the skies of my life I swear I will make you my wife I'm waiting until you love me
