

Weezer, Private Message

I want you so badly
Too bad that you slammed me
And when you are reading the words I write
You think that I'm just some dumb horny guy
I'm trying to show you
A hint of my coolness
But I can't give up on this secret deed
Cuz love is so empty when you can cheat
Hold my hand
Tell me that you love me
For who i am
I never have witnessed a booty like your's
And not just in your face but in your mind
I'm hoping that someday will come a time
Hold my hand
Tell me that you love me
For who i am
And not just in your face but in your mind
I'm hoping that someday will come a time
Hold my hand
Tell me that you love me
For who i am
