

Weezer, So Low

Oh
In your room
In your eyes
Silver spoons
Big surprise
In the darkest
Of days
I will love
You some way
I need love
Babe, I need love
And I want you to know
So low.
In your room,
In your dreams
Silver spoon.
Still it to seems
In the darkest
Of days
I will love
You some way
I need love
Babe, I need love
And I want you to
Take back the love you gave me (baby)
Sometimes you drive me crazy (baby)
This time I want to cry and be alone
In the darkest
Of days
I will love
You some way
I need love
Babe, I need love
And I want you to
Take back the love you gave me (baby)
Sometimes you drive me crazy (baby)
This time I want to cry and be alone
Oh
So low
