

# Weezer, The Christmas Song&nbsp;

You told me you would be here by my side  
Warming my heart on this cold winter's night  
Here I sit waiting beside the tree all by myself

You told me you would move heaven and earth  
Cheering my spirits with laughter and mirth  
Here I sit waiting beside the tree all by myself

Oh, could you ever know how much I care?  
Could you ever know that out somewhere  
There's a boy who really hurts?

Since I found you  
I found a girl  
I found a thorn  
I found a queen  
Now I am warm

Oh, could you ever know how much I care?  
Could you ever know that out somewhere  
There's a boy who really hurts?

Since I found you  
I found a girl  
I found a thorn  
I found a queen  
Now I am warm

You told me you would bring presents and treats  
Cheering my spirits with homemade sweet meats  
Here I sit waiting beside the tree all by myself

Here I sit waiting beside the tree all by myself
