

Wehrmacht, S.O.P.

Every damn weekend when I go out and find a party
sometimes I see the same chicks from the last week's kegger,
walking around looking like clones and if you got drugs
or money, they would love to jump your bones

(Chorus)

It's a case of same old pussy...SOP

Once in a while I like a nice tight twat,
but I get really pissed when I enter a house of tuna rot
And you know man I really get sick when a fine looking
chick starts turining a trick!

(Repeat Chorus)
