

# Wehrmacht, Suck My Dick

(Words: Brian, Riffs; Shann, Duffy, Brian)

Teacher tells my parents that I've been skipping school.  
Don't matter to me 'cause I don't care,  
that school is just for fools.

(Chorus:)  
Suck my dick

They bitch me out,  
it's nothing new to me it's just a game,  
but when they start to say  
you're grounded,  
I just turn and say.

(Chorus:)  
Suck my dick

So I called my girl to see how she's been,  
damn she's being a snotty arrogant bitch again.  
She caught me messin' around with this other chick,  
we had sex so told the with to...

(Chorus:)  
Suck my dick
