

Weird Al Yankovic, Rye Of The Kaiser

Fat and weak, what a disgrace
Guess the champ got too lazy
Ain't gonna fly now, he's just takin' up space
Sold his gloves, threw his eggs down the drain
But he's no bum, he works down the street
He bought the neighborhood deli
Back on his feet, now he's choppin' up meat
Come inside, maybe you'll hear him say
Try the rye or the kaiser
They're on special tonight
If you want, you can have an appetizer
You might like our salami and the liver's all right
And they'd really go well with the rye
Or the kaiser
Never eats while on the job
He heard it's good to stay hungry
But he makes a pretty mean shish kabob
Have a taste, they were made fresh today
Try the rye or the kaiser or the wheat or the white
Maybe I can suggest an appetizer
Stay away from the tuna, it smells funny tonight
But you just can't go wrong with the rye
Or the kaiser
So today, his deli comes first
Still he dreams of his past days of glory
Goes in the back and beats up on the liverwurst
All the while you can still hear him say
It's the rye or the kaiser, it's the thrill of one bite
Let me please be your catering advisor
If you want substitutions I won't put up a fight
You can have your roast beef on the rye
Or the kaiser
The rye or the kaiser
The rye or the kaiser
The rye or the kaiser
