

Wendy Matthews, The Day You Went Away

Hey, does it ever make you wonder
what's on my mind?
Hey, I was only ever running back to your side
I never cried, I just watched my life go by
It's just a pack of lies,
'cause you're leaving me behind
Why, after this long is there nothing
I'll keep, oh, I can shout
you'll pretend you're falling asleep
I live a lie, yeah, believing that you're mine
It's just a waste of time
'cause you're leaving me behind

Hey, there's not a cloud in the sky
It's as blue as your goodbye
and I thought that it would rain
on a day like today
Hey, there's not a cloud in sight
it's as blue as your blue goodbye
and I thought that it would rain
the day you went away

Hey, does it ever make you wonder what's on my mind
Ooh yeah, I was only ever running back to your side
Hey, there's not a cloud in the sky
it's as blue as your goodbye
and I thought that it would rain
on a day like today

Hey, there's not a cloud in sight
it's as blue as your blue goodbye
and I thought that it would rain
the day you went away

He's on the buses, and the aeroplanes
with some groceries and a sleeping bag.....
