

Wendy Moten, Forever Yours

ah... forever yours...

Sometimes, when we're far apart
Where's my heart, you wonder
do you think i ever would forget
all the things we own
I wrote this letter just to let you know

that i'm all alone
i couldn't sleep at all
without your love
darling, i miss you
i tossed and turned
oh how my body yearned
just to be with you
and for miles away
i write to say once more, i love you
i'll be home someday
until then, i'll stay
FOREVER YOURS

oh if its cold outside
still m heart's in fire
and it keeps me warm at night
with only thoughts of you
and if you doubt me
you just have to know

that i'm all alone
i couldn't sleep at all
without your love
darling, i miss you
i tossed and turned
oh how my body yearned
just to be with you
and for miles away
i write to say once more, i love you
i'll be home someday
until then, i'll stay
FOREVER YOURS
