

Wendy O. Williams, It's My Life

I've got a reputation, people know who I am
Rules are made to be broken, can't kill what you don't understand
I see you're running scared, I never knew you cared
Go hide your head in the sand

Been to hell and back
I survived and that's a fact

It's my life
And I do what I wanna, do what I wanna, do what I like
It's my life
And I do what I wanna, do what I wanna do.

My New Year's Resolution is always the same:
Gonna do what I like, gonna do what I want
And the hell the thing, yeah!
I don't need nobody, won't play that game

Shining from the roof, and I face up to the truth

(It's my life)

Don't need an invitation, don't play hard to get
So all the family claim I can't be dead
You know it doesn't matter
I swear when I want, I wear what I like, yeah
