

Werd N Deeko, Now Its On

[Werd:]

Uh it's Werd

Scottish Hip hop now it's on

[Tech N9ne:]

Wicked wicked now it's on

[Werd:]

The UK rap game am not init

But when am back home flow every minute

Are you OK cause I'm sick with the lyric

So don't play cause I spit photogenic

Comic strip spit see a rip speech bubbles

Take out two B's attached them to both knuckles

Beat you off the page

And they say Iv got issues

Plus they knows am a blow like tissues

A won't diss you

A'l put cunts at you

God bless me

A don't think that he had to

I shit on rappers got skill out the ass dude

If you don't believe me

Who the fuck asked you

A'l hit you with a glass and a'l smash you

Hit you with a cup and I mug you

Unplug mics and I will just plug you

Fuck you the DJ will cut you

You can drop in the club

That's what you want huh?

Drop in the club or to leak in the street

Got beef like meat then you leak when me meet

Make cunts bleed like the first time in the sheets

Like every four weeks four knuckles in your teeth

And you face defeat when my feets in your face

Rockports rock your jaw like the E you ate

And I'm easy take 8 like seven mistakes

Like cut

Take it from the top now great

Ok your gay no way can you match me

Don't play flow spray all day at ye

It's like we bump cabs and they can't catch us

Mixtape money so I don't pay taxis

[Werd:]

Nah a don't pay taxes

Nah a don't pay taxes

Fuck taxes
