

Wester, Drowning Victim

all i ever wanted
was more than you could give
haunted by your ghost
that will not let me live
all the times you broke our trust
i forgave everything
but now our dream is over
to me you mean nothing
lend me your eyes so that i may see
anything and everything i wanted to be
lend me your wings so that i may soar
when i'm without you i don't care anymore
i have to
i need to
i must move on
i tried so hard
but i don't think i can
you sold us out
you don't understand
i rip out my heart
and leave it beating in your hand
lend me your eyes so that i may see
anything and everything i wanted to be
lend me your wings so that i may soar
when i'm without you i don't care anymore
