

Westlife, Angel's Wings

I would die for you
Lay down my life for you
The only thing that means everything to me
'Cause when you're in my arms
You make me prouder than
Than anything I ever could achieve
And you make everything that used to seem so big
Seem to be so small since you arrived

On angel's winds, an angelical formation
Angel's wings, like letters in the sky
Now I know no matter what the question
Love is the answer
It's written on angel's wings

And I often wonder why,
Someone as flawed as I
Deserves to be as happy as you make me
So as the years roll by
I'll be there by your side
I'll follow you wherever your heart takes me
Cause you make everything that used to be so big
Seem to be so small since you arrived

On angel's winds, an angelical formation
Angel's wings, like letters in the sky
Now I know no matter what the question
Love is the answer
It's written on angel's wings

Now anyone who's felt the touch of heaven in their lives
Will know the way I'm feeling, looking
In my baby's eyes
That's why I can't bear to be too far away
I know that god must love me cause
He sent you to me on angel's wings

On angel's winds, an angelical formation
Angel's wings, like letters in the sky
Now I know no matter what the question
Love is the answer
It's written on angel's wings

Love is the answer
It's written on angel's wings
