

# Westlife, Back At One

(feat. Lulu)

Its undeniable that we should be together  
Its unbelievable how I used to say that I found in her  
The places you need to know, if you don't know just how I feel,  
Then let me show you now that I'm for real  
If all things in time, time will reveal

One,your like a dream come true  
Two,just wanna be with you  
Three,boy its plain to see that your the only one for me  
Four,repeat steps one to three  
Five,make you fall in love with me  
If ever I believe my work is done then I start Back at One.

So Incredible the way things work themselves out  
And all emotional, once you know that its all about babe  
And undesirable for us to be apart  
Never would of made it very far  
Cause you know that you got the keys to my heart

One,your like a dream come true  
Two,just wanna be with you  
Three,boy its plain to see that your the only one for me  
Four,repeat steps one to three  
Five,make you fall in love with me  
If ever I believe my work is done then I start Back at One

Say farewell to the dark night I see the coming of the sun  
I feel like a little child whose life has just begun  
You came and reached into the light,  
Into this lonely heart of mine  
You threw out the life line just in the Nick of Time

One,your like a dream come true  
Two,just wanna be with you  
Three,girl its plain to see that your the only one for me and  
Four,repeat steps one to three  
Five,make you fall in love with me  
If ever I believe my work is done then I start Back at One
