

Westlife, Coast To Coast

an empty street, an empty house
a hole inside my heart
all along the rooms are getting smaller
i wonder how i wonder why i wonder where they are
the days we had the songs we sang together
i know my love im holding on forever
to the love that seems faraway
to find a place i love the most
so i say a little prayer and hope my dreams will take me there
where the skies are see you once again my love

i try to read i go work
laughing in my face
but i cant seem to keep a simple thinkin
oh no
i know my love im holdin on forever
to the love that seems faraway
so i say a little prayer and hope my dreams will take me there
wher the fields are green see
you once again my love

to hold you in my arms to promi8se you my love
to tell you form the heart what
im thinkin of..

so i
say a little prayer and hope my dreams will take me there
where the skies are blue see you once again my love

(chorus)
