

Westlife, Have You Ever Been In Love

In the morning light
Half awake and half asleep
Have you ever laid there thinking
Was it all a dream?
But you reach out and she's there
Every moment, everywhere
Have you ever been in love?

Have you ever felt
How far a heart can fall
Have you ever stayed up waiting
For a telephone call
Just to hear her say hello
Cause you miss each other so
Have you ever been in love?

Have there been times to laugh
And times you really want to cry
Finding reasons to believe her
cause you'd die a little if she lied
And when in times of doubt
Have you ever tried to work it out
But still she leaves you wondering
What it's all about

And when she's far away
Have you ever felt the need to stray
And tried and then discovered
It just doesn't pay
Cause with her, you can be true
And with her, you can be you
Have you ever been in love?

Have there been times to laugh
And times you really want to cry
Finding reasons to believe her
Cause you'd die a little if she lied
And when in times of doubt
Have you ever tried to work it out
But still she leaves you wondering
What its all about

And when the night comes down
Can you call your house a home
Do you dream you're still together
And wake up alone
Have you ever been in love
The way that I'm in love
Have you ever been in love?
Have you ever been in love?
