## Verse 1

Another summer day has come and gone away  
In Paris and Rome, I wanna go home  
Maybe surrounded by a million people lie  
So feel all alone, I just wanna go home  
Oh, I miss you, you know  
And Ive been keeping all the letters that I wrote to you  
Each one a line or two, Im fine baby how are you?  
Well, I would send them but I know that its just not enough  
My words were cold and flat and you deserve more than that  
Another airplane, another sunny place Im lucky I know  
but I wanna go home, Ive got to go home

## Chorus

Let me go home  
Im just too far from where you are  
I gotta come home  
Let me go home  
Ive had my run, baby Im done  
I wanna come home

## Verse 2

And I feel just like Im living someone elses life  
Its like I just stepped outside when everything was going right  
And I know just why you could not come along with me  
Cause this was not your dream, but you always believed in me  
Another winter day has come and gone away  
In neither Paris nor Rome and I wanna go home  
I miss you, you know

## Chorus

Let me go home  
Ive had my run  
Baby Im done  
I wanna go home  
Let me go home  
Itll all be alright  
Ill be home tonight  
Im comng back home
