

Westlife, Home

Verse 1

Another summer day has come and gone away
In Paris and Rome, I wanna go home
Maybe surrounded by a million people lie
So feel all alone, I just wanna go home
Oh, I miss you, you know
And Ive been keeping all the letters that I wrote to you
Each one a line or two, Im fine baby how are you?
Well, I would send them but I know that its just not enough
My words were cold and flat and you deserve more than that
Another airplane, another sunny place Im lucky I know
but I wanna go home, Ive got to go home

Chorus

Let me go home
Im just too far from where you are
I gotta come home
Let me go home
Ive had my run, baby Im done
I wanna come home

Verse 2

And I feel just like Im living someone elses life
Its like I just stepped outside when everything was going right
And I know just why you could not come along with me
Cause this was not your dream, but you always believed in me
Another winter day has come and gone away
In neither Paris nor Rome and I wanna go home
I miss you, you know

Chorus

Let me go home
Ive had my run
Baby Im done
I wanna go home
Let me go home
Itll all be alright
Ill be home tonight
Im comng back home
