

Westlife, I Don't Wanna Fight No More

I can't sleep,
everything i ever knew,
Is a lie,
without you,

I can't breathe,
when my heart is broke in two,
There's no beat,
without you,

You're not gone,
but you're not here,
At least that's the way it seems tonight,
If we could try to end these wars,
I know that we can make it right,
cause baby,

I don't wanna fight no more,
I forgot what we were fighting for,
and this loneliness that's in my heart,
won't let me be apart from you,

I don't wanna have to try,
Girl, to live without you in my life,
So, i'm hoping we can start tonight,
cause i don't wanna fight,
no more,

How can I leave,
when everything that I adore,
and everything I'm living for,
Girl, it's in you,

I can't dream,
sleepless nights have got me bad,
The only dream i ever had,
is being with you,

I know that we can make it right,
It's gonna take a little time,
Lets not leave ourselves with no way out,
lets not cross that line,(that line)

I don't wanna fight no more,
I forgot what we were fighting for,
and this loneliness that's in my heart,
won't let me be apart from you,

I don't wanna have to try,
Girl, to live without you in my life,
So, i'm hoping we can start tonight,
cause i don't wanna fight,
no more,

Remember that i made a vow,
that i would never let you go,
I meant it then, I mean it now,
and i want to tell you so,

I don't wanna fight no more, (oh no)
I forgot what we were fighting for,
and this loneliness that's in my heart,
won't let me be apart from you,

I don't wanna have to try,
Girl, to live without you in my life,
So, i'm hoping we can start tonight,
(can we start)
cause i don't wanna fight,
no more...

I don't wanna fight no more,
I forgot what we were fighting for, (oh yeah)
and this loneliness that's in my heart,
(my heart)
won't let me be apart from you,

I don't wanna have to try,
Girl, to live without you in my life,
So, i'm hoping we can start tonight,
(I'm hoping)
cause i don't wanna fight,
no more.....

It's all a lie,
Without you,
without you.....
